Follansbee® Receives U.S. Commerce Association Award

FOLLANSBEE, WV...The U.S. Commerce Association (USCA) has selected Follansbee Steel for the 2009 Best of Follansbee Award in the Roofing & Siding category.

The USCA "Best of Local Business" Award Program recognizes outstanding local businesses throughout the country. Each year, the USCA identifies companies they believe have achieved exceptional marketing success in their local community and business category.

"It's quite an honor to be recognized by the USCA," says Edward Thomas, Follansbee vice president and general manager. "We continue to pride ourselves not only on our high quality metal roofing and wall products and accessories, but on our commitment to the Follansbee community as a whole."

Follansbee is the only manufacturer of pre-painted or natural terne roofs and is a leading supplier of metal roofs for new and retrofit commercial, residential and historic projects. Follansbee's range of highly corrosion resistant architectural metal roofing products includes Terne II®, KlassicKolors®, TCS II® and TCS Satin™.

Visit www.FollansbeeRoofing.com or www.MyBestRoof.com to learn more.

Follansbee Steel offers a wide range of metal roofing products for commercial and residential construction including Terne II®, KlassicKolors®, TCS II® and TCS Satin™. Founded in the early 1800s, the Follansbee, WV, company has been manufacturing in its current location for more than 100 years. Modern alloys developed and patented by Follansbee have taken the original tin roof to new heights of performance and longevity. For more information call 1-800-624-6906 or visit www.follansbeeroofing.com or www.mybestroof.com.
